I will call into the Hickman briefing for the first half hour then hang up for my conflicting meeting at 10:30. That is less disruptive than me physically going and leaving early.

Thanks for all the edits, everyone. I've accepted changes and commented on nearly everything

in the updated version attached. Time's short and I'm in my office meeting from 9-10, so I'm likely to bring hard copies to the meeting. A few other notes:
